### A951X FURNACE FEATURES

- 96% AFUE operation on many models can help reduce utility costs while providing consistent comfort
- Stainless steel heat exchangers aid in the resistance of corrosion and heat quickly
- Innovative heat exchanger design ensures quiet operation in both natural gas and propane applications
- 1.4% cabinet air leakage exceeds ENERGY STAR® requirements and helps meet building leakage codes
- Multiple venting options in each poise make job planning easier than before
- 9-tap constant torque blower motor, along with an efficiently-designed blower housing, helps deliver airflow quickly and efficiently
- Compact, 34" cabinet height saves space and expands installation options

### A951X WARRANTY

All Ameristar furnaces are backed by a competitive 10 year registered parts and 20 year heat exchanger warranty. Registered Limited Warranty terms are applicable if the products are registered within 60 days of installation.

- 5-Year Base Limited Parts Warranty
- 20-Year Limited Heat Exchanger Warranty
- 10-Year Registered Parts Warranty
- 20-Year Registered Heat Exchanger Warranty
